

See a show. See the city!

Nederlander Sales & Patrons Services has partnered with CityListen® Audio Tours on a promotion to combine your Broadway experience with a New York City audio walking tour. See and hear New York City as never before at an **exclusive promotional rate**.

"My wife had a conference to attend in NYC last week, which left me a lot of time to do things on my own. I purchased the Central Park walking tour and it was one of the highlights of my trip. I only wish I had more time and could have tried the other tours."
Jason, Santa Rosa Beach, FL

"The content is rich in history and information; the pace is perfect; the idea of using an mp3 player is great."
